Kenmore East Bulldogs • Tonawanda, NY

The Kenmore East Bulldogs varsity baseball team finished the 2011 season 11-3, winning the Niagara Frontier League Baseball Championship. The title was the school's first baseball championship in 17 years! The Bulldogs lost their first non-league game, their first pre-season tournament game in Myrtle Beach, and even their first league game 14-3. But they kept bouncing back, and on May 21, 2011, they claimed the championship over Niagara Falls, 6-0.

"Our players had a tremendous ability to bounce back from adversity, a great love of teammates and an awesome work ethic. They richly deserve to be forever known as champions," said Coach Leslie Simon.
